Dear Parent or Guardian,

Our staff will soon begin to build classes for the 2018-2019 school year. This is one of our most important tasks to prepare for the coming year. Throughout this process, our goal is to place students in the best possible learning setting. We try to build classes that are balanced in terms of learning needs and styles, gender, emotional and social development, academic achievement, and behavior.

We welcome parent involvement in this process, as we recognize that parents know their children better than anyone else. If you would like to offer insight, share your perspective, or express a need on behalf of your child, we invite you to write a letter and submit it to the main office. **Because it is very difficult to grant requests for specific teachers**, we ask that your letter focus on your child's learning style, significant learning experiences for him/her, and/or the type of teaching style to which your child responds best.

We ask that all requests be submitted no later than Friday, May 4. We will use the information you provide, along with input from teachers, to place your child in a classroom that will best meet his or her needs.

Educationally yours,
Mr. Chris Wolk
Principal
